

2017 Novice Exhibitor

Novice Exhibitor: Any person that's a first year member and/or non-greenhouse grower. Rules of standard variety shows are used in judging. Plants of the same species or variety within a species will be judged against the standard for comparable plants. There can be any number of first, second, and third place ribbons awarded for plants in the same species/varieties. They will not be judged against one another, but on their own merit.

A Novice Best of Class Award -will be presented to the best entry in any class in which there are three or more entries. This award will be a rosette ribbon.

A Best Novice Cactus and Best Novice Succulent -awards will be presented to entries in Novice Cactus and Novice Succulent provided they have won a blue ribbon in their class.

Judges Award -rosettes will be awarded by individual judges to their favorite cactus, succulent, or other entries in the show regardless of other awards earned by the entry. Judges may choose from the Advanced, Novice or Displays.

People's Choice Award for Cactus and Succulent -will be given to the cactus and succulent with the most votes cast by the public. The public may choose from the Advanced, Novice or Displays entries. Novice entry forms will be printed on light green paper.

2017 Novice and Advanced Displays

Rules of standard variety shows are used in judging. There can be any number of first, second, and third place ribbons awarded for displays. They will not be judged against one another, but on their own merit. Each display will need an entry form. A green form for the Novice and a white form for the Advanced.

Provided there are one or more entries, in the Novice and Advanced Display class there will be the **Cactus and Succulent Society of America Education Trophy** to the best display in either Novice or Advanced.

Displays may contest of or a combination of:

Cactus and/or Succulent Plants

Cactus and/or Succulent Photography

Cactus and/or Succulent Art

Cactus and/or Succulent Handicrafts

Cactus and/or Succulent -Novelties, and two-or three dimensional art

Cactus and/or Succulent -Creative containers, novelties, art, etc.

Subject matter must be cactus and succulent related. You may enter up to 4 displays. You must request to the show manager what size tables and how many you will need. (6' or 8' tables)
